Dear Mr. Weisberg:

I do hope this letter will reach you. You book whitewash is in the county Library (Bladensburg) This is where I found it. You must be very proud that you had the courage to stand up and speak out when everyone else was quiet. There is a group headed by Dick Gregory who have films on the assassination and are trying to have the Kennedy thing re-opened. They want Rockefeller commission to do it. Of course he is Ford's man and Ford was on the Warren commission, why don't you contact the 9 o'clock show called "Nine in the Morning" WTOP D.C. They were guests on the show. 2/5/75 I know your book could be reprinted.

And would be a bestseller. please do
Consider it, The Time is now right
for the American people to know the
Truth. We will send copies to our
Congressmen, Senators and friends if
you will have it reprinted. & Small
printer one who does mail order work
will do the job at first Till you can
interest a large publisher.
The book could be sold by mail.
I do this type of thing at present &
know others who do likewise.
If you could contact Dick Gregory's people
they could help with the publication of
The book as they have influencial people
in back of them.
Thank you for writing the book.
Cordially yours,
Phoebe Woods
